

Dear Supporter,

Pools For Kids, Inc is fundraising to help offset facility improvements, repair and maintenance of facility and equipment, as well as to help offset some incredible facility use increases, some up to 300%. We saw the effects of last years fundraising efforts from the Flip-A-Thon in that this was the best National Performance to date because of the new/additional equipment in the kids training. Our fundraising goal is \$25,000 and we feel this goal can be reached if all parts of the team help participate in this fundraiser. To raise these funds we are hosting the Flip-A-Thon on Thursday, September 15th at the Meyers Pool.

How does it work? Basically, MHDC athletes are soliciting for donations per flip for the amount of flips that they are able to do during their timed Flip-A-Thon bracket. This amount can be anything from \$.10 to \$1.00/per flip. Another way to donate is by offering an up-front donation with no dependence on the amount of flips performed. All MHDC divers, regardless of level, are being asked to participate if they can. This will be a wonderful fundraiser and team building experience that will benefit the divers directly. Your support in our efforts to repair the diving boards is very much appreciated.
