Parental Chaperone Form

I _____ wish to be the chaperone for my 12 years old or younger athlete for the upcoming meet. I understand that I will be fully responsible to supervise my child for 100% of the time during this meet. This includes but is not limited to:

- Driving to and from airport
- Driving to and from pool
- Providing meals
- Hotel accommodation

Furthermore, I will be required to transport my child to the pool for all team workouts, competitions and training sessions during the trip. I will ask the coach when I need to have my child at the pool and then ensure that they arrive at that time. My athlete may not attend non-team workouts.

No other athletes on the trip will be allowed to stay in my room. Conversely, my athlete will not stay in the team rooms. I will do my best to contribute to the team culture on the trip.

I understand that it is my responsibility to pay for my athlete's share of all normal expenses on the trip, with the exception of the team's hotel room. These normal expenses include but are not limited to:

- Coach's rental car/transportation (even though other athletes use the car for transportation)
- Coach's hotel
- Coach's food
- Coach's airfare (vanfare if driving trip)
- Coaching fees
- Pertinent misc expenses (ie-team shirt, parking/tolls, amusement park, etc.)

I agree to abide by all of the above conditions as well as all MHDC Polices.
