Welcome to your United States Air Force Academy. We sincerely hope that your visit is enjoyable and memorable. In anticipation of your visit, there are some important items for you to note.

- The United States Air Force Academy is a United States Federal Military Installation and as such there are certain entry requirements. All individuals over the age of 16 must have a Real ID to obtain access on to the installation. A Real ID is simply an ID that will grant an individual access onto a US commercial airliner, such as a state-issued driver's license or passport. Furthermore, it is critical for all international student- athletes, coaches, and staff members to be in possession of their valid passport. Please have these Real ID's readily available to present to the Security Forces Defender upon arrival at the gate.

- In addition to Real ID's for each member of the party, please ensure you have in your possession a current AFAAC Special Events Entry Pass. This entry pass grants North Gate entry via I-25 solely for the purpose of competing in the AFAAC Special Event, walk-throughs/practice, and or equipment set-up within the USAFA Sports Complex. This entry pass does not grant authorization for other areas outside of the sportscomplex.

- All individuals on the Air Force Academy must comply with all directives and security measures. Security Force's Defenders are positioned at the gates for the enforcement and security of all and are required to perform entry protocols.

Feel free to contact your respective Team Point of Contact at the AFA with any questions and/or concerns. We hope you enjoy your visit to the United States Air Force Academy.
