

Dear Supporter,

Pools For Kids, Inc is fundraising to help offset facility improvements, repair and maintenance of facility and equipment, as well as to support the New Facility Campaign. The effects of the last many years of fundraising efforts have a mounting effect and we continue to be able to make direct impact on facilities across the metro area. At our more grassroots level, more kids have access to safe equipment and more up to date facilities, hereby allowing more of Colorado's youth a chance at aquatic sports. We know we can keep the momentum and keep contributing in the future if all parts of the team help participate in this fundraiser. To raise these funds we are hosting the Flip-A-Thon on Friday, September 9th at the Meyers Pool.

How does it work? Basically, MHDC athletes are soliciting for donations per flip for the amount of flips that they are able to do during their timed Flip-A-Thon bracket. This amount can be anything from \$.10 to \$1.00/per flip. Another way to donate is by offering an up-front donation with no dependence on the amount of flips performed. All MHDC divers, regardless of level, are being asked to participate if they can. This will be a wonderful fundraiser and team building experience that will benefit the divers directly. Your support in our efforts to help with our stated mission above is very much appreciated. For more information about Mile High Dive Club, please contact us at info@learntodive.org or check out our website at www.learntodive.org.

The Divers and Coaches of Mile High Dive Club thank you for your support!

About the Mile High Dive Club

Mile High Dive Club strives not only to produce great divers but also to cultivate life skills through the sport of diving. Throughout the years our club has won several USA Diving Regional Championships, an AAU National Championship title, been represented at Olympic Trials, sent divers to represent the USA at International competitions, has had multiple National and Colorado State Champions, as well as over 100 alumni who have gone to compete collegiately at schools such as The Ohio State, Indiana, Florida, Alabama, New Mexico, Minnesota, DU, SMU, Hawaii, Georgia, Kentucky, Wyoming, Mizzou, Arizona, Harvard, Princeton, UMass, Wisconsin, Iowa, BYU, Air Force, School of Mines, and Virginia to name a few.
